WHO WE ARE

Compassionate care. Clinically-backed. Trusted evaluations.

Godwins Family Care is a Physician and FNP-led healthcare organization providing private home care, home based primary care, and independent medical evaluations in Atlanta, Georgia.

Backed by clinician and physician innovators, we know what quality medical care actually requires — and hold every service line to a standard of excellence.

PRIVATE HOME CARE

Personal care, companionship, dementia support, and skilled nursing — under our Georgia private home care license.

HOME BASED PRIMARY CARE

Home Based Primary Care visits with our family nurse practitioners. Chronic disease management, behavioral health medication, post-hospital follow-up.

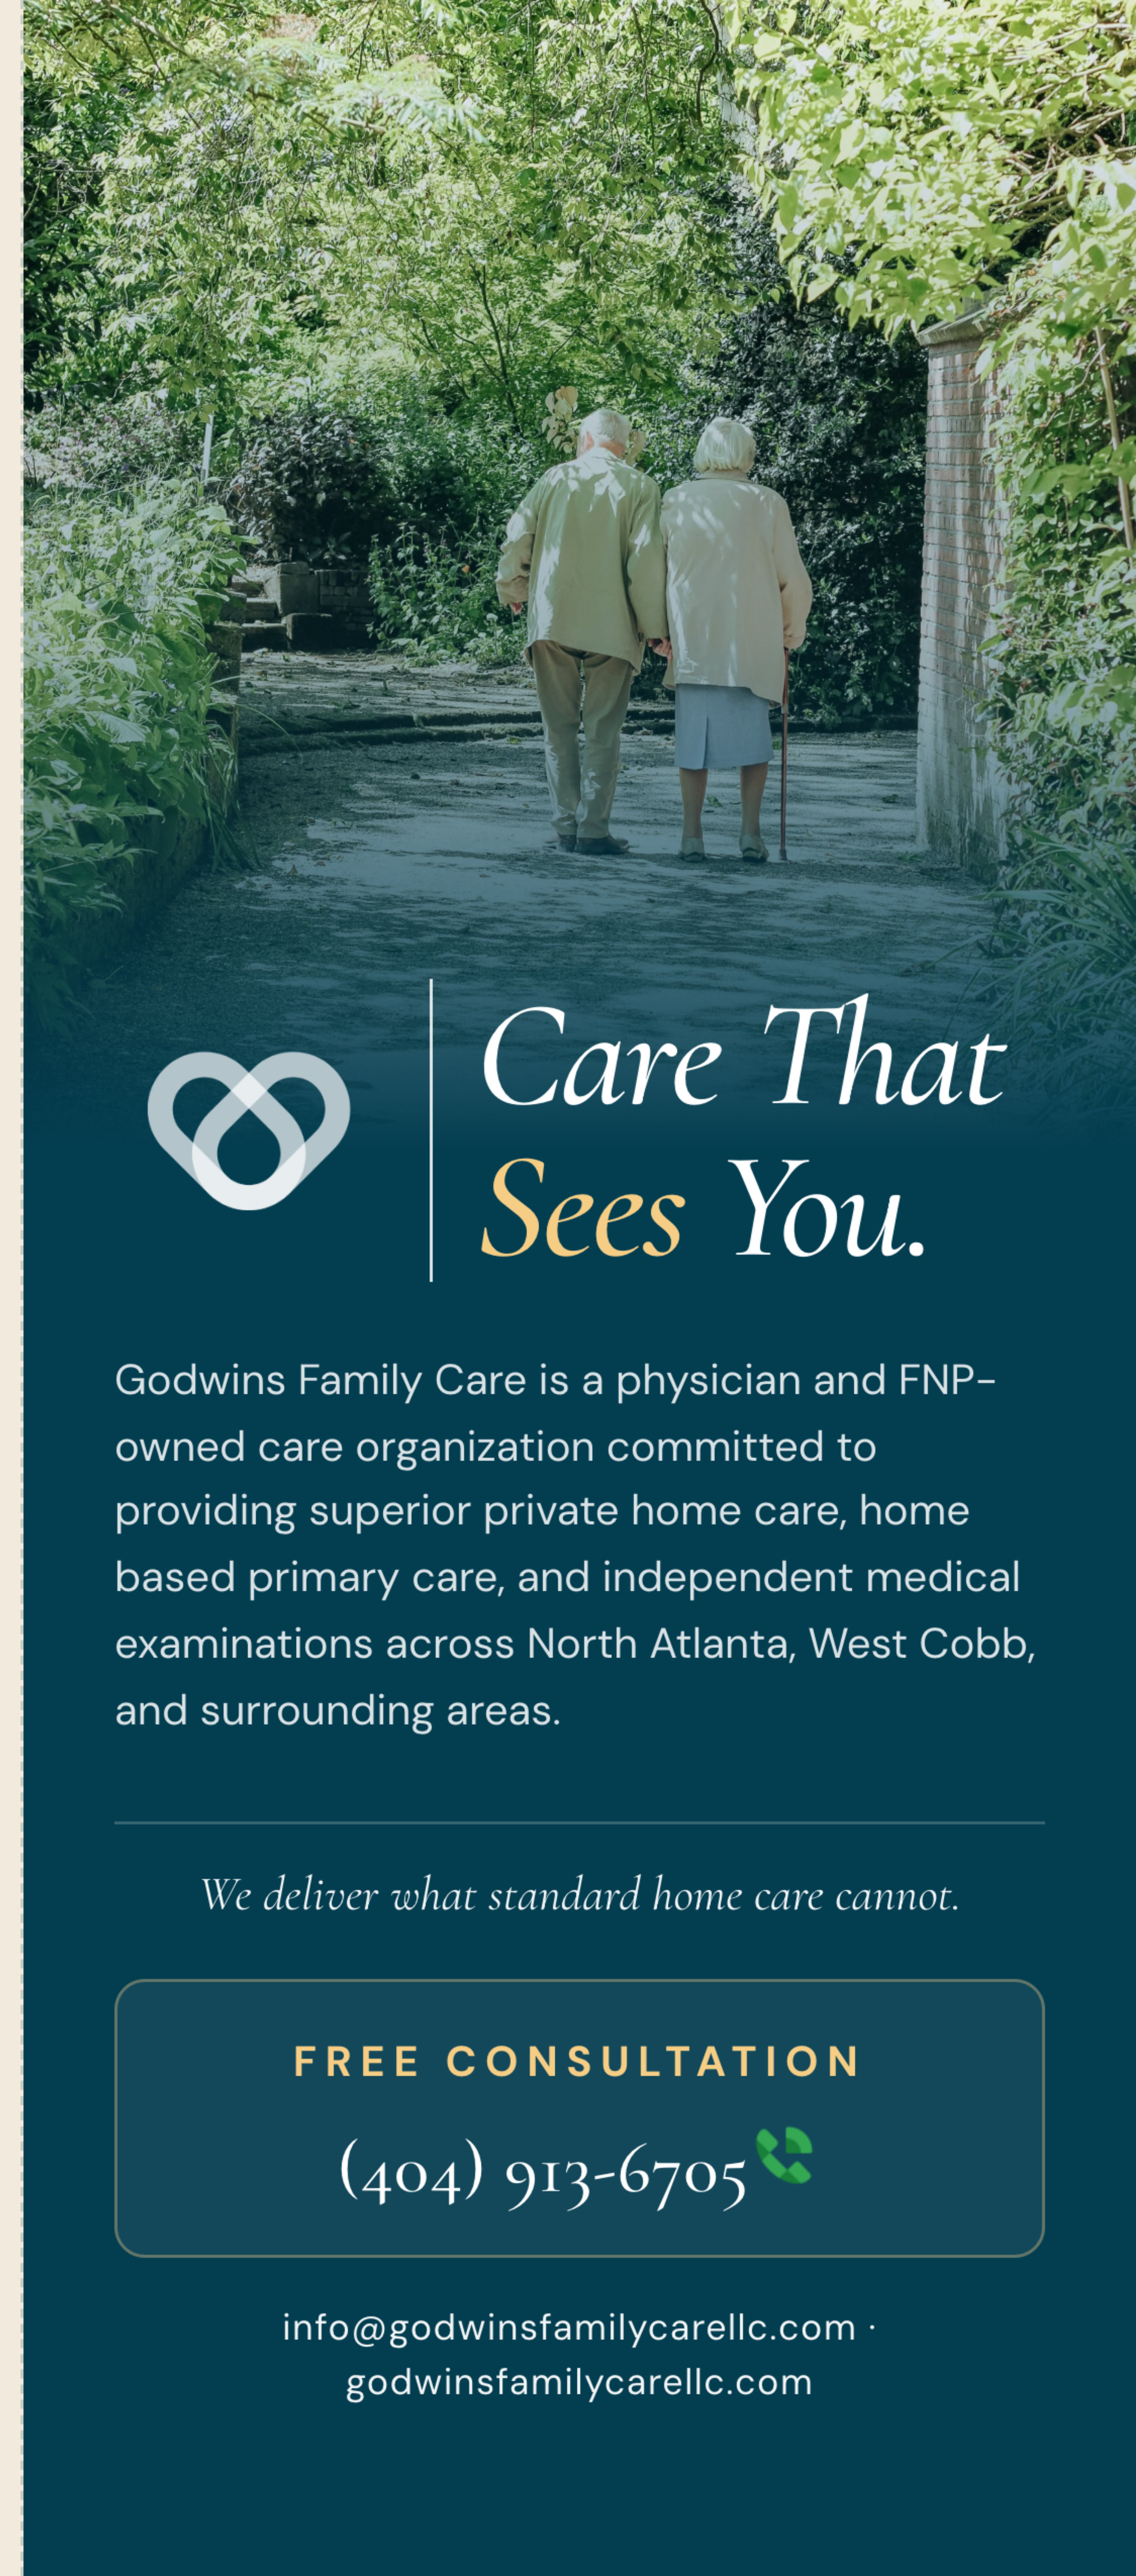

INDEPENDENT MEDICAL EXAMS

Medical Disability Exams (MDEs) through our federally contracted partners and independent vendors

COMPASSIONATE CARE · CLINICALLY-BACKED TRUSTED EVALUATIONS

WHAT FAMILIES NOTICE

The difference *families* feel.

“It helps having the same caregiver week to week. I can better manage my routine.”

— FLORENCE, GFC CLIENT

“My mother doesn't like to be alone and my husband and I were traveling. Godwins Family Care stepped in to care for her. They were amazing.”

— SUMMER, FAMILY MEMBER

“They knew exactly how to handle my dad's behavioral outbursts.”

— FAMILY MEMBER OF GFC CLIENT

OUR PROMISE

- ✓ Physician & FNP-owned, with clinical oversight on every case
- ✓ Caregiver matched to client preference
- ✓ Care coordination included in every service
- ✓ Proactive family communication, always
- ✓ Locally owned — committed to community care vs. franchise
- ✓ Continuous shift nursing broader than Medicare-certified home health agencies

Bianca G. C. Ume, MD, MBA, MS · Owner & Executive Director
Bethel Godwins, RN, MSN, FNP-C · Owner & Clinical Director

OUR SERVICES

Care that *meets you* where you are.

A PERSONAL CARE & COMPANION

Hands-on care, daily living support, and companionship in your home or facility.

A1 Companion & Wellness Visits

Social engagement, supervised activity, transportation, light errands, consistent presence between family visits.

A2 Essential ADL Support

Bathing, dressing, grooming, toileting, transfers, mobility, feeding, hygiene and incontinence care.

A3 Comprehensive Home Care

Everything in A2 plus meal prep, light housekeeping, medication reminders, transportation, errands.

A4 Behavioral & Cognitive Wellness

A3 plus dementia & Alzheimer's care, behavioral observation, structured routines, crisis de-escalation, safety planning.

B CLINICAL HOME CARE

Skilled nursing that scales from visits to continuous shifts, plus FNP-led provider visits.

B1 Skilled Nursing Care

Wound care, medication administration & injections, vitals, diabetic management, catheter & ostomy care, G-tube feeds, post-surgical observation, complex chronic disease management.

B2 Provider Care Visits

In-home medical evaluations, assessments and full care plans by your family nurse practitioner/PCP.

BEYOND THE VISITS

Care that holds steady *between* them.

CARE COORDINATION

Fundamentally included in every service

We talk to your physicians, specialists, therapists, and pharmacies. We document changes. We escalate when something shifts. Not an add-on — the brand promise that comes with being clinician-led, recognizing how critical continuity of care is to better patient outcomes.

CASE MANAGEMENT

Add-On · LMSW Team

Licensed social work for complex transitions or active crises. Standard & intensive levels.

CONTINUOUS CARE

Add-On · Hybrid Monitoring

Behavioral monitoring, scheduled video check-ins, family portal.
